

Dear Student,

Congratulations on getting a place at WIT. Campus Services would like to make sure your stay on campus is as easy and pleasurable as possible.

### We would like to introduce you to your WIT ID Card

Your WITCard is your official ID card. You will get this on registration day. Every student and staff member has one. It shows your name, student number and photograph. The WITCard is a multifunctional card and replaces all other cards by integrating various applications onto one single card.

### It's more than just an ID card

#### Library Card

Your card can be used to borrow books from the main collage library.

#### Printing and Photocopying

You can use your WITCard to pay for printing and photocopying at various locations throughout campus.

#### Restaurants

You can use your card to purchase food or drink at any of the restaurants on campus.

#### Vending

A number of vending machines are located throughout the campus which supply a variety of soft drinks, and snacks.

#### Access

Your card is used as your key for your Campus accommodation and access to many student areas and college buildings.

**Secretarial Services** - for exam papers, binding, colour, printing/photocopying and much more

#### Fitness Suite

You can access the fitness suite and look out for great promotional offers for 'Freshers'

#### Spar supermarket at Manor Village and at WIT (on main campus)

For all your day to day purchases use your WITCard

### It couldn't be easier to put money on your WITCard Simply choose from one of the following options

- [1] Online
- [2] Mobile Phone

- [3] AIB Bank Machines
- [4] Cash

See the enclosed leaflet for more details

### Anyone can top up your WITCard which is handy if your parents want to put money on for you!

This intelligent, friendly piece of plastic has become an integral part of student life at Waterford Institute of Technology. Your WITCard offers convenience, flexibility and most importantly security. Each student has their own confidential WITCard account so you no longer have to fumble in your pocket. We hope you find the information in this pack useful. If you would like to find out more, please contact us on 051 302732 or visit the WITCard office on campus.
